

Journal Entry #1

Initial thoughts about career development

1. Why are you required to take this course?
2. What do you expect from this course?
3. List some *specific* careers you are interested in learning more about. Why are you interested in these careers?
4. List some *specific* skills you would like to learn in this course. Why are these important skills to have?
5. What past or present activities and experiences have impacted your career development? List at least 6 and explain them!
