

Thinking about your career!

1. What are your plans for after high school?
2. What career fields interest you the most?
3. What steps do you have to take to get where you want to go?
4. Will you attend post-secondary training at college or university?
5. How will you finance your plans?
6. What time frame have you given yourself to complete your goal?
7. What is your 'Plan B'? How about a "Plan C"?
