## **Career Development 2201- Guidance Assignment**

As part of this course you must develop a plan of action for a future career cluster. This would be a career field or types of jobs you might be interested in pursuing.

Before doing so, it is important to know what resources are available to you. The school guidance counsellor is one such resource and will be the focus of this assignment.

**First**, construct three career-related questions that you can discuss with a school guidance counsellor.

**Second**, schedule a 10-minute meeting with the school guidance counsellor to discuss your questions (because you have a limited amount of time, write the responses after the meeting).

**Lastly**, write or type your responses into a 1-page document for grading. Your submission should be in paragraph form and detail the information you gather from your session with the school guidance counsellor.

**Before creating your questions please complete task #8!!**
