## Career Development 2201 Documentary of My Life

For this activity, I would like you to consider what your life is going to look like over the years. Please include some images to go with each decade, along with a few sentences to explain what will happen during that time of your life. There are some suggested items that you can write about if you wish.

My Years Immediately after High School and my twenties (feel free to discuss your education, hobbies, friends, job, etc.)

My Thirties (feel free to talk about what job you might have, your hobbies, friends, marriage, kids, house, etc)

My Forties (feel free to talk about what job you might have, your hobbies, friends, marriage, kids, house, etc)

My Fifties (feel free to talk about what job you might have, your hobbies, friends, marriage, kids, house, etc)

My Seventies (Still working? Grandkids or even great-grandkids? Retirement home?)

My Eighties and Nineties

Other items that you may want to include could be any awards you hope to win in your lifetime, dream vacations you may take, a type of car you want, leadership roles in the community you may have, volunteering, etc. Be creative!
